

CentOS<sup>TM</sup>

The image shows the CentOS logo in white text on a dark red background. A red rectangular bounding box is drawn around the text. A blue corner handle is visible at the bottom-left corner of the bounding box. The entire logo is contained within a larger orange rectangular frame.

5

The image shows a large white number '5' on a dark red background. A red rectangular bounding box is drawn around the number. A blue corner handle is visible at the bottom-left corner of the bounding box. The entire number is contained within a larger orange rectangular frame.

 = 5mm

A small white square is shown next to the text "= 5mm", indicating the scale of the grid.
